Just after 2:00 p.m. today, the Cedar Park Police Department received a call from a mother reporting that she had discovered her child, a male toddler, in the backyard swimming pool unattended.

Emergency crews responded to the home at 1220 Elm Forest Drive to attempt life saving measures, but were unable to revive him.

The investigation into the matter is ongoing and police remain on scene to talk with the home's residents about the events leading up to the child's death.

The Cedar Park Police Department will provide additional information as it becomes available.
